

CRY OF THE CHILDREN INCORPORATED

July 2015 Newsletter

Robotics Update

We have a few brainy volunteers ready to start up some robotics teams! We are planning to start soon. Start date to be released shortly.

Step Up

We are planning to resume our Step Team!! We have been in contact with several local schools about possibly bringing in our program. Although, the routines are created by the kids, we are still in need of volunteers to assist the kids with the Step Team.

New Space Needed

We are currently seeking a new space for Cry of the Children. However, we are seeking a new location. We would prefer to have one with no overhead. If you know of the availability of such a location please contact us, asap.

Planning for the future, Looking ahead...

Here's our 1st newsletter of 2015... We will be sending out newsletters on a monthly basis, containing information about programs, upcoming events, fundraising and needs.

We are happy to let you know there are many new things on the horizon for Cry of the Children, Incorporated. We are planning to have our first ever Robotics Teams, we are looking to have a new Step Team, we are seeking new volunteers and a new space, we are running a fundraiser through AmazonSmile and we're wanting to begin working within local schools.

MORE ABOUT US...

Mission...

In collaboration with local community organizations, schools, and parents this organization seeks to help youth obtain the tools they need to build and maintain successful relationships with parents, teachers, and the larger community of Bloomington, Monroe County, Indiana.

Cry of the Children operates on the belief that every young person has the inner capacity to learn life changing behaviors, grow from their experiences, and work in order to become happier, more fulfilled members of the community. Our programs and services are based on the premise that growth is a process and not a one time event. Which can benefit our society as a whole by improving student-parent-school relationships, improving school attendance while reducing dropout rates, reduce violence and crimes among youth, build self-esteem.
